Dave at DD Domestic came highly recommended, when I was looking for washing machine repair. He is an excellent repair man, great value, honest, reliable and very knowledgeable. Transparent with his charges which are very reasonable, with careful thought about costs to his customers. Such a lovely repairman. (Make him a coffee whilst he's at yours if you can, milk one sugar!) Already recommending him to my friends - won't use anyone else now we found him!

Called out to fix an AEG integrated dishwasher door that would not close. Easy to arrange the appointment. Courteous and friendly and an excellent service provided. I can thoroughly recommend.
