The compassion, understanding and kindness when losing your beloved fur baby is so comforting. To know that you are not on your own and it is ok to grieve. Dignity staff care and made a very difficult time a little bit easier.

Absolutely amazing!! It so hard to lose one of the family and they looked after our gorgeous cat with such care and made the heartbreak a little bit easier knowing he was in such good hands. Would recommend and will use them again.

I have used them twice in the last couple of years. They helped to make the whole process much easier and as good as it can get really. Lovely grounds and location, patient staff who are genuine and thoughtful. No pressure to purchase extras, they do ask if you want a print or fur clipping (which makes sense since these need doing before it is too late).

They were compassionate very professional and very kind at a time that was heart breaking for me , they didn't rush me when saying goodbye to my bulldog George and showed compassion and respect to myself and my beloved dog . I cannot thank them enough for what they done for me and George amazing people .

Dignity Pet Crematorium was unbelievably kind and understanding when we used their services in March 2018. Very caring and and nothing was too much trouble. The staff were knowledgeable and we were not hurried to make decisions or leave until we were ready. We knew our faithful friend was in safe hands until we meet again. It was also comforting to know our own ashes can be with our pets when the time comes. Kevin and his staff are to be recommended highly.

Dignity provided a kind and compassionate service giving our beloved Bull Terrier the send off he so deserved. From the minute we phoned them we felt confident that they would treat our precious boy as if he were their own. They collected him from the vets and made things a little easier for us while we were grieving. We decided on an attended cremation and

	<p>spent time with our boy before taking him to the kiln. The chance to have mementos, fur clipping and paw print meant we kept a little of him with us. While we waited for his ashes we spent time in the memorial gardens and it felt so peaceful there. Such lovely people who showed us understanding &amp; compassion for our loss. You provide an excellent service, thank you.</p>

01-Jun-2018	<p>The only place I would trust to look after any pet of mine on its last journey. From the lovely man who collected my dog and showed so much kindness and respect to him and to me through to everyone involved with his cremation and the return of his remains. I couldn't have wished for more.</p>

20-Mar-2017	<p>Outstanding facility, peaceful and serene with wonderful sympathetic and helpful staff. We called at 9am on Monday morning and were booked in with our little dog Daisy for 9:45am. We chose a same day cremation service and were able to take her home in a truly beautiful urn the same day. Everyone was so caring and amazing and they took such good care of us all. I can't thank you enough for giving me the peace of mind that you have. I would never use anyone else in the future and I will never leave any pet with our vet again.</p>
