I have been using Simon's business for about 15 years and plan to continue doing so. I have always found him to be helpful and genuinely interested in what is the best option for me. He also explains about the products giving strengths and weaknesses in relation to area I was re carpeting. On Monday the fitter arrived on time and was very helpful and professional. He was even able to suggest the best time of day to go to the tip avoiding queues. The carpet looks lovely and finishes the landing and stairs off really well. Thank you

The work was carried out swiftly and the level of skill

29-Jan-2018	was high.
05-Jan-2018	Exemplary service - thoroughly recommend! Very impressed with the service from Simon at Floor Coverings Southern (Basingstoke). He made a visit to us with lots of samples so that we could choose the right style and colour in the comfort of our home. It was also very nice to be able to see the samples "in-situ" to see how it looks in the areas we wanted carpeting. Very large selection of carpets, and the whole selection, measuring and quote process was very impressive. We also considered the pricing competitive too. A mutually convenient fitting date was arranged without fuss, and the carpet was fitted professionally and looks wonderful. Very pleased with our choice to use this company. We highly recommend and will certainly use again.
05-Jan-2018	Simon was helpful, patient and pleasant throughout. It was great to have the carpet samples come to us so we could try loads without having to borrow them from a shop. The carpet fitter was lovely and went the extra mile by happily fitting our speaker cables. The carpet looks lovely and was a good price.
09-Nov-2017	Simon gave excellent customer service and kept in contact by email. The carpet fitter did a fantastic job in transforming the rooms. I would use them again!
17-Oct-2017	The process of quote through to fitting was efficient. Good communication, work was carried out as per quote, the fitter did a good job, only leaving once the area had been tidied up and swept of debris. Recommended company.
26-Sep-2017	Excellent quality of work and product. The fitters were very professional, calling in advance to advise time of arrival and completing the work in a timely manner. Shane, the carpet fitter, was particularly charming!
04-Jun-2017	Simon was fantastic at managing everything from beginning to end. He went out of his way to accommodate my complicated schedule and the workmen did a fantastic job with my open-plan kitchen-living room Kardean (LVT). I had a complicated top of the stair that Simon sorted with a nosing and a mdf floor-level slanted panel over the stairwell was layed to match the surrounding areas. Both are lovely. Simon's conscientiousness was uncomparable to that of the other local and national companies that I obtained a quote. He came and took multiple readings of the screed moisture before laying the floor and gave recommendations on how to prime it ready for the vinyl. None of the other companies mentioned that the moisture content of the screed could destroy the flooring and possibly negate my warranty. Under his guidance, the floor was dry and primed on time for the vinyl installation. Thank you Simon, when I am ready for bedroom carpeting, I will be back!
28-Apr-2017	Excellent customer service from Simon and his fitter Martin, Nothing was too much trouble for either of

So pleased with the result and have no hesitation in recommending them to family and friends. Thank you both for a job well done.</p> <p>Simon brings samples of flooring to your home making it so much easier to choose the right type and colour. He is extremely helpful and keeps you informed all through the process. He even sourced a type of carpet we wanted that he didn't have a sample for. The carpet layer he sent to us, Shane, did a lovely job and was a very pleasant young man. He was also very helpful and advised us on how we could have a rug made from off cuts.</p>

06-Sep-2015	As previously, when different floor coverings from this company have been purchased, time has been taken to advise me of the various qualities and cost and samples left for me to choose. This time further samples were forwarded to me that were not available at the original consultation as I was requesting a specific colour. This was very helpful

17-Feb-2015	Thank you also for such brilliant service, it all looks really beautiful. The laminate has completely transformed our living room. Even the dogs are excited about it! I wouldn't hesitate to recommend you.
17-Feb-2015	Thank you for the maintenance tips. Very helpful. I was going to email you anyway to say how happy I am with the flooring, it is perfect and matches the lounge spot on. It was difficult to judge with the sample of flooring you left us, but you got us the exact floor we wanted so thank you so much, It looks fantastic, so pleased, when I first saw it I had a huge smile on my face. As you can see I am going overboard a bit, but it's just so refreshing to get that perfect match that you have in your mind and you did it! A great job done by the floor fitter too. Will come back to you again in the future and will highly recommend you. Thanks again.
