This task was to cut out and remove decking area around a summerhouse and storage shed, shoring these 2 structures up, remove and rebuild the framework under and re-decking entire area and replace another decked patio. An excellent job done with precision by Ian, Cam and Steve. Their attention to duty is outstanding as is their cust svce and consideration to me and my neighbours. There was an issue with materials supplied by a 3rd party supplier and Ian has taken it upon himself to resolve this without involving me or increasing my costs. Heartily recommend.
