Paul was professional throughout. He provided an accurate quote, was timely on arrival, polite and the job was completed quickly! The guys working for Paul were all extremely polite, and the whole job was completed within a couple of hours, exactly to request, and tidied up after themselves.

Very helpful service from Paul including filling in the planning application for the work and submitting to council on our behalf. Team were prompt on the day, friendly, worked fast and very efficiently and did exactly what we agreed. Would very much recommend.
