From the moment we first walked into the office we felt we were going to be well cared for. Every single member of staff went out of their way to be helpful and accommodated everything we asked of them. Everything was taken care of from organising the flowers, notice in the newspaper and our choice of Celebrant Sylvia who also provided a wonderful service. We couldn't have asked for a more caring service at naturally a very distressing time. On the day itself Lee was very caring and helpful and I knew my Mum was in the best hands. Everyone commented that it was a lovely service. I wouldn't hesitate to recommend Lee and his staff to anyone unfortunate enough to need them.
