Richard knew what he was doing and he did it very well. He was tidy in the garden and courteous to us. This is the second time that we have enjoyed the benefits of Richard's skills and we would be happy both to use him again and to recommend him to anyone.

We couldn't ask for better than Richard Chappell. From the initial contact to the completion of the work, Richard was professional. On the given date he was punctual, worked non stop, cleared up the debris and took it all away. Apart from the excellent quality of his work, Richard is polite and friendly, and a pleasure to have working for us. The minute he drove away after completion of the work, I had an enquiry from neighbours asking for his details! We can recommend Richard without hesitation.

29-Nov-2018

The overall service could only be described as 1st class in every aspect of the work. I was most pleased to be able to say on completion just how good it all looked, Was it value for money? without question! No mess, on time, non stop work, good price, highly recommended.

29-Sep-2018

Excellent from start to finish. Transformed very overgrown lawn, beds and shrubs in back garden and cut back rampant clematis Montana on front of house. Very organised, clean and tidy. Richard is an exceptionally hard worker and very courteous. Would highly recommend.

27-Sep-2018

Richard provided an excellent service and product. We could not fault him in anyway and would definitely recommend his company.

13-Sep-2018

Richard works like a Trojan ! We had our lawn removed, drainage put in (to stop our recurrent water-logging problems), uneven surfaces leveled, new lawn laid with edging. Really pleased with the end result. Can't believe how hard Richard works and kept everything clean and tidy. Wouldn't hesitate to recommend him. Will be asking him to come back and do our front garden in the Spring.

Richard was professional and knowledgeable. He discussed our requirements with us and offered

| 23-Jun-2018 | valuable advice. He arrived in time and worked quickly and safely. His work was of a very high standard. Removal of a large Ionicera hedge in the garden. Richard did exactly as asked and was efficient and thorough. Would happily recommend him for any garden work. |
| 18-Apr-2018 | I asked for a hawthorn hedge to be removed, an old fence removed, and a new close board fence to be installed. The hedge removal was completed despite extreme waterlogging and the new fence was completed as soon as the ground had dried out enough. Richard worked flat out on both these occasions and the job was complete within 2 days in total. I was most impressed by his dedication to the job and the quality of the new fence. At the end he cleared up all the debris, including the old fence. Excellent service at a good price. |
| 03-Apr-2018 | Excellent work and completed quickly |
| 10-Nov-2017 | Always a high standard of workmanship. |
| 26-Aug-2017 | We have had a new lawn laid, including removal of the existing 'turf', rotovating, levelling, adding top soil, new turf etc. Found Maple / Richard through this website. Absolutely delighted with such a first class and professional service and cannot recommend him highly enough. The outcomes he has delivered for the new lawn are excellent, the pricing was very reasonable (I did have other quotes), including the additional works that I asked to be added afterwards, for tree services etc. Richard always responded promptly to any calls, and all aspects of the works, from time taken, attention to detail, quality of materials and the way he works, were completely professional. He is also very pleasant and easy to deal with. Thoroughly recommend Maple Garden Services |
| 07-Aug-2017 | Hedge trimming, Aug 2017. Excellent service, professional and efficient. |
| 26-Jul-2017 | We are delighted with the way Mr Chappell transformed our garden to a neat and cared for plot from quite frankly an overgrown mess. He tackled the work methodically and did exactly what we had asked for and he also showed respect for wildlife that was present in the garden at the time. Thank you . |
| 18-Jun-2017 | Richard is very hard working. Completed the work 48 hours after quote. Excellent work cutting back our hedges and cutting back years of growth. Will use again in the future. Removed all trimmings and cleaned up well afterwards. |
| 24-May-2017 | Richard was polite, punctual and efficient. He has done work for several people on my street. They have all happily recommended him to me. In my turn , I would whole heartedly endorse their recommendation . |

| 21-Apr-2017 | <p>Mr Chappell is a polite, professional, hard working & very nice man who is excellent at his profession. His rates are very reasonable considering his level of workmanship. I would highly recommend him to anyone and won't use any other company for any of our landscaping needs. Mr Chappell has taken out a huge over grown hedge, put in a fence & leveled & turfed the ground over to an exceptional standard. The neighbours even asked him to do some work for them too. You won't be disappointed I guarantee it.</p> |
| 06-Apr-2017 | <p>This is the second time we've used Richard and another superb job. Very professional and offered useful guidance and ideas. The re-turfing looks fantastic and is of a high quality. | 10-Mar-2017 | <p>This is the second time I have used Maple Garden services. Firstly for building of steps, sleeper beds and re-turfing the lawn. This time for replacement of timber posts and fence panels. Richard's work is outstanding. He is professional from the first quotation through to full completion. He carried out the work in a day and left the garden tidy with all rubbish removed. Richard was able to promptly provide me with 3 very reasonable quotes for the work, giving me different options to choose from. Highly recommended to all in the area.</p> |
| 03-Mar-2017 | <p>After receiving our request for the work of installing a palisade fence, the task was well planned and we were given a quotation. Thoroughly satisfied clients.</p> |
| 01-Feb-2017 | <p>My side gate from the front to back garden was in poor repair and Richard undertook to replace it with a sturdy and secure wooden gate, new posts and with a good lock that can be easily opened by me from the side-way (has a security feature that is child proof</p> |

| 29-Nov-2016 | My sister and I used this trader to tidy my father's very overgrown and unkempt garden and to maintain it afterwards. His work was impeccable. Our previous gardener had chosen to charge for visits he didn't make - but Richard attended every time he said he would which gave us peace of mind. After the initial clear up the garden was maintained to a high standard. I wish Richard lived near me so I could employ him to keep my garden as nice as he kept my dad's. |
| 07-Nov-2016 | Richard was very professional in his approach and expertly knowledgeable in all matters relating to gardens and lawns. He asked our requirements and made recommendations before we agreed the final outcome. Richard was attentive and his eye for detail ensures a first class job is done. I am very pleased with the transformation from a clay based soil to fertile beds well tilled/fertilised beds and an immaculate new turfed lawn. |

| 26-May-2016 | So pleased we chose Richard to install new fencing & gate. He was recommended by a neighbour, & we are so impressed with his professionalism & workmanship, especially as he was faced with quite a challenging small space in which to work!. The job was completed very quickly & the garden left really clean & tidy. Would not hesitate to recommend him to others. |
| 04-May-2016 | Richard is a very reliable person who gives a good professional service by arriving promptly and leaving everything tidy when he leaves. You would not know he had been here apart from the well shaped hedges and bushes. The pond benefited from the clear up as did the pond inhabitants. |

| 04-Oct-2015 | <p>Excellent job that has transformed my garden - removing old hedge and lawn, rotovating whole, laying new lawn and creating flower bed.</p> <p>Richard is always quick to respond to a request to give us a quote for work, and provide dates when the work can be carried out. He may not be the cheapest, but he is always reliable, courteous and helpful. He tidies up after the job is completed and works over and above, to ensure that we are 100% satisfied with the standard of work. We have used other companies in the past, but none of them have ever provided the standard of work that Richard does, so I am more than happy to recommend him.</p> |
| 24-Sep-2015 | <p>The works were carried out precisely to our requirements. The site was left in a very clean and tidy condition. We would not hesitate to employ the services of Maple Gardens in the future.</p> |

The main work was done on 3rd and 4th Sept, but he willingly popped around again on Mon 7th in answer to my plea to have the grass cut. Thanks, Richard.</p> |
