Excellent communication and customer service. Left the property very tidy (where the fence panel and post had been replaced). Removal of old fence panel and post from the property rather than leaving the customer to do it much appreciated - most companies seem to be leaving that to the customer to arrange

19-Feb-2020	<p>An excellent job completed by Martin Williams, arrived when they said they would, were clean tidy and respectful of us. Billed us as per the estimate. Knocked through a supporting wall, installed an RSJ, made good with plastering. All quicker than expected and built a temporary wall to limit the dust to the rest of the house. Highly recommended.</p>
14-Dec-2019	<p>I cannot recommend highly enough Martin and his team. They worked exceptionally hard no matter what weather was thrown at them and were exceedingly flexible with our requirements as the project evolved. The team we had were polite, courteous, very organised and tidy whilst working. I was left with a first class job at reasonable cost and will most definitely be using them again in the new year for some other projects I have.</p>
20-Aug-2019	<p>I can not recommend Martin and his team enough. What should have been a stressful time with a large extension has been a breeze. Nothing was a problem for Martin and his team giving us total confidence at every point and made us feel completely relaxed during a complicated project. Their building work has been immaculate, professional and so tidy, We plan to do more building work in future and if I needed to wait I would rather wait for Martin to be available than use anyone else.</p>
22-Sep-2017	<p>The work was started and completed on time. There was a minimum of disruption to the household and the site was left immaculate.</p>
19-Dec-2016	<p>Excellent timekeepers; good communication skills; competent and meticulous work throughout; tidy and caring.</p>
25-Mar-2015	<p>We were very pleased with Martin throughout the whole building process.</p>
