The work from planning, costing and timescale was excellent. The quality of work from plumbing to fitting units and tiling is outstanding. We were talked through and shown the work completed at the end of each day. The house and work area were left tidier and cleaner at the end of each day than it normally is. As well as being excellent craftsmen the two Michaels are two of the most helpful and nicest people we have met.

I cannot rate the two Mikes highly enough, reliable, cheerful, helpful, punctual and above all else they do a really good job. If I have anything further that needs doing at our house I will certainly choose MWB first. Very good job, highly recommended.
