Top service from PQ Plumbers. Completed a bathroom refurb, and heating system upgrade with new boiler. From start to finish Paul and his team were a pleasure to deal with. I would highly recommend.

Paul restored our faith in plumbers. After 5 months and 8 plumbers who either didn't respond to enquiries or just didn't turn up, we were losing faith. Paul responded quickly and efficiently, and arranged for Shaun to carry out the works within a few days of contact. Both Paul and Shaun were extremely efficient. We can't fault this company and will be using them in the future.

A first class service all the way through. The quality of workmanship is excellent. I will definitely use this company again.

Paul called me back as soon as I left a message and very quickly arranged a mutually convenient time to carry out the works, which he completed quickly, efficiently, and without mess. PQ Plumbers has become my "go to" for plumbing works.

Annual boiler service, quick efficient and friendly service for a reasonable price. Will use again next year.
