Comments from consumers who have used this trader

15-Feb-2018

Double floor extension, landscaping and porch style extension and reconfiguring inside house.

18-Dec-2017

Single storey extension to rear. Really good quality work. Would recommend.

24-Mar-2017

Mark Duncan of Silverwoods provided a very fair estimate for costs - completed on budget including our requested variants during the build. Standards very good, always came when promised and excellent communication and reliable team.

14-Jun-2016

The work to demolish an existing garage and construct a two storey extension was undertaken in a most professional manner from start to finish. All trades were conscientious who took pride in their work and this is reflected in the completed project.
