Professional. 'Nothing too much trouble' attitude. Friendly. Left the house clean and tidy, as you would expect. James Project Managed both jobs well and was on the case if anything out of the ordinary arose. Office well run by Karen and Maria and the whole work force is a credit to the company.

They did exactly what they said they'd do.....arrived on time, never got delayed because of things not arriving. Very clean and always tidied up afterwards, and possibly the nicest tradespeople I've ever dealt with ! 10/10

We used 'Space' to create a new kitchen, having used them to do our bathroom a year ago. Very friendly, helpful service. Excellent craftsmen, who always went the extra mile. End result, stunning. They also put down a wooden floor in Dining room and hall. Very
