1st Class service. Would recommend them. Always on time, very clean and a very high standard of work.

Steve was always prompt, innovative, professional and very efficient with excellent time management. His quote was very reasonable. He transformed my dingy little Heath-Robinson cloakroom/porch into a smart, beautifully finished area. It may be small (ie: the area), but in my opinion it is now very beautiful. I would unreservedly recommend Steve and will certainly call on him again when I need a new bathroom. THANKS Steve - you're a star!

We had a fantastic job done by SPC in converting our en suite into a wet room, so we decided to have our main bathroom redone by SPC as well. They have done

21-Dec-2015	Excellent.
27-Oct-2015	Quoted promptly, started when he said he would, told us of any snags and worked to correct them, stuck to his quote, tidy worker. The only fitter to remove the bath panel to see what lurked there!
21-Oct-2015	Wet room installed for my disabled husband.
06-Oct-2015	Efficient work carried out on time, time scale was as promised, excellent result and very careful team. I am delighted with completed work.
28-Aug-2015	Excellent service, excellent time keeping, cleared area after working, very hard working. We are pleased with our new bathroom we were quoted for what we needed, not for what we didn't need as others had done!
26-Aug-2015	A rare contractor. Steve sleekly made the whole process of bathroom conversion as painless as is possible. Used quality materials--important since many are eventually concealed. All work planned, then co-ordinated smoothly; all carried out quietly and completed cleanly. We are most impressed. We now have a spectacular accessible bathroom, that fully serves its purpose, is easy to keep clean and--at reasonable cost-- adds to the value of the house. SPC is commendable in every way.
