Stephen was prompt, professional and pleasant. He fixed my tap in a very short time leaving no mess. Plus he did not charge an arm or a leg. Thank you Stephen I would not hesitate to use you again.

From the estimate to the completion of the work the service I received was first class. I have now found a real tradesman and have no problem in giving his name as an excellent worker.

Very good. He took trouble to see that everything was working properly and left the place neat and tidy - he cleaned away all the rubbish. Can be highly recommended.
