06-Mar-2017	<p>This is the second time I have used Sean's services, the first was for fencing and bin area and this time for double gates. I can't recommend him enough, my fence has been up around 4 years now and still looks absolutely perfect and the quality of workmanship and attention to detail on the gates we had installed is fantastic. The materials are always very good quality and the price very reasonable. Sean is very courteous, a clean worker and the work is carried out when promised. I will be using again.</p>

09-Feb-2017	<p>Mr Colley was punctual, very pleasant to deal with and gave what I considered to be very fair prices for fencing in my back garden and also some chain link fencing at the front of the house.. The standard of his work was excellent and they cleaned up after the work was completed beautifully. One of the chain link posts was subsequently damaged by a neighbour, but Mr Colley came back and repaired it with no extra charge to myself. I would highly recommend his company to anyone.</p>
