Seamless.

08-Jan-2024

The service from Wonderful Windows was excellent, from start to finish. Jon Hunter was meticulous in his quotation work and accepted changes to our requirements without hesitation. The installation team, Dave and Tom on the windows and doors, plus Jim and Harley on fascias, soffits, guttering and flashing, were brilliant throughout. They cleaned up after each day's work, were friendly and polite and always turned up when expected. They didn't complain about the tea and coffee and seemed to like the biscuits! I could not recommend Wonderful Windows highly enough. They certainly lived up to their name and our house, which still had 35 year old single-glazed windows and doors, has been transformed. Sincere thanks!

05-Dec-2023

12-Oct-2022	Very professional work from the initial quote stage with Jon to the fitting with the rest of his team. They worked over three days to replace 9 windows of varying sizes and designs. The finish on each of the windows is as expected and was done with little fuss, from a confident team that took some tough situations given this is an old house in their stride and put in the windows expertly. Whilst the job created a significant amount of dust, they made a good effort to clean the areas where the windows were changed and were considerate of where they were working. Overall, very satisfied with the level of service received and very pleased with the final result of the windows.
