01-Jul-2019	Extremely reliable & clean service with no mess at all. An ongoing 30 year old problem of water penetration completely remedied. A professional yet friendly service that I cannot recommend highly enough.
14-Jan-2019	We had been badly let down by cowboy builders and Andy managed to rescue us and get us into our extension by Christmas - great!
04-Jan-2019	Trustworthy; punctual; efficient; felt well advised on what needed doing.
05-Jan-2018	Very good in all aspects, have confidence in them in everything they do.
05-Dec-2017	Knowledgeable, competent and considerate service. Friendly and respectful staff who got on with the job, worked in appalling weather and always kept areas clean and tidy at the end of each day.
12-Sep-2017	Building work - opening wall between kitchen and dining room, new en suite shower room, re-wiring, new central heating system and after plumbing work. I was very pleased with the quality of work, including helpful advice from A.W. Owen's team on various matters arising as work progressed.
27-Feb-2017	Excellent service, punctual and to high quality. Well recommended.
