Poor customer communication and long delays to installation and many revisits following install.

= DREADFUL! The product windows were good. The customer service was very poor indeed. Due to their error windows delayed 6 months. Offered £500 compensation to us but NO guarantee. Woman Boss/Director did NOT have people skills or an apology discussion with us as CLIENT. Would NOT recommend this company at all. Very poor indeed company - no recommendation.

We were told 4 weeks to fitting - we waited 11 weeks! They do not keep you informed of progress, rarely reply to emails.

Need to do more planning and organising, as had to

	phone to maintain, slow. Conservatory took 16 weeks to complete due to delay's in workmen coming.

01-Dec-2016	Gwasanaeth gwarthus - Drws newydd oedd angen ei atgyweirio wrth ei osod! Dim ymateb i drwsio am 3 mis. Dim hyder i ddefnyddio y cwmni eto.
