As a Leasehold Managing Agent, we often have Leaseholders with Broken Windows, Doors etc. and in addition, often need old wood framed single Glazed Window Replacement on older Developments. Paul Darrah of Everything Glass Limited is totally professional and has carried out works on our sites since April 2014, including a Grade II Listed Building with specific requirements. Due to the quality of his work, when Leaseholder contact us in relation to Blown/Misted Double Glazed Units or Broken Glass, Paul is the first contractor we recommend to them and each time, we have received excellent feedback from our clients. We highly recommend this contractor if you are looking for repair or replacement.
