09-May-2017	Andy has done a very good job cleaning my oven and cooker hood which were quite dirty. He is a pleasant young man and gets on with the work in hand.as soon as he arrives. As I'm unable to do these things now due to health problems, it's a pleasure to know that I can depend on him to do what is necessary. He has cleaned my cooker once before and as he did a perfect job then (it was very dirty that time) I knew I could trust him to do a good job this time also. I will definitely ask him to clean them again when needed. Keep up the good work Andy.
