First class service and quality craftsmanship. We are very happy with Jim's work and have a number of additional projects he will be taking forward on our home. Highly recommended!

A really first class job. Nothing was too much trouble even though the design changed part way through the work. Jim's attention to detail cannot be praised highly enough.

I have used JBS Property Services a number of times, I am very happy with the work carried out. The latest time was full redecoration of a rental property, the work has been carried out to an extremely high standard, and a great deal of attention to detail. James went above and beyond by carrying out some additional maintenance work that was required as well as helping with a heating issue, and provided photos at the end as a record of the work done.

James is very helpful and thorough and always works out the best solution for any work we need doing on our house. Nothing is too much trouble - so glad we found him.

I was very pleased with the level of service. The jobs that needed doing were various small things but things I couldn't have done myself. Everything was carried out

	the way I asked. I would definitely recommend JBS Property Maintenance. Thank you!

04-Mar-2015	As always an excellent service! Not only did James complete the job to my satisfaction, he cleaned up after himself each day, he is friendly & I feel totally trustworthy. James even loves my yappy, miniature dachshund who tried to terrorise him every time he entered the property. They are now becoming firm friends. Looking forward to James coming back later in the year to work on the kitchen.
03-Mar-2015	We have commissioned James on 2 separate occasions. The first time was for a list of enhancements in our small bathroom, which included removing the old floor tiling and re-tiling the floor, replacement wash basin & tap installation and and bath taps, fixing skirting, boxing in the waste pipe and a handful of other smaller items. On the basis of the high standard of work, we engaged James again a second time for some minor works some months later. We were pleased with the outcome on both occasions. James is very trustworthy and offers a friendly, efficient & reliable service at a very competitive cost. Highly recommended.
