Exceptional block paving service: from helping suggest and source blocks to suit our property, adapting my design with suggestions that suit the area, as well as expertly laying the blocks. Swift, efficient, friendly and reliable. Will be certainly booking for future jobs.

Matt and his team were very hard working, polite and professional. Nothing seemed too much for them to do and they worked with us and offered ideas to alter the design in order for it to meet our budget. They were happy to make adjustments as the work progressed and always had an answer to any problems. The job was finished quickly and left everything tidy at the end. We would definitely recommend Matt and his lovely team.

Matt and his team are very professional. Matt was very flexible with dates and he in fact was kind enough to

	<p>bring the actual work commencing date forward. His team is very energetic and extremely friendly and polite. Understand what I wanted as a customer and never hesitated to accommodate a few adjustments as the work progressed. I would definitely recommend Matt for your landscaping and all types of garden work. Thanks Matt.</p>

13-Aug-2018	<p>This is the second and far smaller job that Matt and his team have done for us and the transformation is superb. All the neighbours have commented on the work done. Matt always has an answer to your problem and comes up with really good ideas that perhaps you haven't considered. As long as you provide the tea you will have to go a long way to get a better job.</p>
15-Apr-2018	<p>Matt and his team transformed our garden in two weeks despite the dreadful weather, almost constant rain whilst they were on site but they still managed to complete the work on time and to budget and we are thrilled by the end result.</p>

12-Jun-2017	<p>Matt and all of the guys who carried out our garden project were first rate and thoroughly professional. Matt kept us fully in the loop on all design decisions and suggested where we might like to make improvements to our original ideas. We could not be more pleased with the level of service and the quality of finish! I would (and already have) recommended Matt and his team to friends and members of my family! It's not an understatement to say the garden transformation will change our summers for years to come, thanks Matt, Lee and Sarah.</p>
21-May-2017	<p>Great quality job by nice lads. Quality choice of stones - grey sandstone with dark grey edging. Put extra gravel and turfed disturbed areas of the garden. Only marked down on service as didn't put the heavy pots back!</p>
11-Apr-2017	<p>A very good experience from start to finish. The work was done with no fuss to a very good standard.</p>
19-Feb-2017	<p>Matt and his team arrived on time every day. They worked very hard erecting over 40 m of fencing in 3 days, and have transformed the look of the garden. They tidied up after themselves every day and left the garden looking better than before they arrived. This is phase 2 of doing up the gardens, I used them for phase 1 and I will be using them for phase 3. All in all I would say you could not get a better team to do your work. Well done Team Bettison.</p>
