I was in an extremely vulnerable position having been so badly let down by my original contractor . It was such a relief to know that not only could the situation be remedied but with so little upheaval to my family after living in such a mess for nine months. Mr Parker was extremely helpful throughout the whole process, explained everything in plain terms and made sure I was happy with every step of the installation. He was a pleasure to deal with and I couldn't be more thrilled with my new kitchen. I can highly recommend Parker Carpentry for anyone thinking of having a new kitchen fitted.

I had Glyn out to do carpentry works in my bathroom which I am renovating. Getting straight to the point, Glyn is a true perfectionist from start to finish! He is an open and honest tradesman who gives clearly written quotes at fair prices. He is reliable and on time when he agrees to do works. Best of all he has a high standard of workmanship which has helped drastically upgraded the overall appearance of my run down bathroom. Glyn demonstrated great knowledge and experience in his profession and had well thought out ideas and suggestions to help me get the best out of my budget and home! On top of all the above, Glyn and his co-worker are very well mannered and friendly

	people who I have had no qualms in trusting my house keys with. I wholeheartedly recommend Parker Carpentry Ltd to anyone who requires a skilled carpenter - Glyn rates as one of the best [if not the best!] tradesman I have ever had do work for me. I definately will be calling upon his services again and again!!!!!!!

11-Jan-2016	We were very satisfied with the work completed, particularly the attention to detail. Considering we were having all the internal doors replaced, the disruption was kept to a minimum with Glyn taking care to protect carpets and cleaning up regularly.
23-Sep-2015	Our new gates that Glyn installed look brilliant. He is very pleasant and polite and couldn't be more helpful. He kept working even though it was raining and has done a very good job. All that others have said in their feedback is quite correct. His young assistant Connor is also pleasant and polite. It was a pleasure to be able to employ Glyn and would do so again when required in the future.
