We've now used Ashwells a number of times. Each time they do a brilliant job, take care in their work and are diligent in tidying up afterwards. We already have them booked in to do more work. Would definitely recommend!

We have used Ashwells on many occasions over the years, the most recent being only a few days ago. We have never had any cause to complain about their service; it has always been excellent. We have recommended them to friends and will continue to do so.

We had a recommendation from our son who has used Ashwells decorators twice. We were extremely pleased with the work done on our house. That was hall, stairs and landing plus downstairs toilet. The work was carried out professionally and quickly to a high standard.

Ashwells Decorators have done my painting and papering for several years now at three different properties. Every time they have arrived promptly and have always done a truly spectacular job. Trustworthy, friendly, tidy and professional I can wholeheartedly recommend them.
