The team at DG Joinery were superb for our total bathroom refurbishment. David really works hard and communicates along the way, always taking care to ensure that all the work was carried out to meet our wishes and the end result is wonderful and as per the very reasonable quote. All the trades that came in to assist in the project were managed by David and everyone was polite, reliable and finished the work to an excellent standard. Would not hesitate to use them again and highly recommend. Great job, thank you.

Excellent first class service. Very caring, well organised and excellent workmanship. This company treat your jobs as if they are their own. They are clean, tidy and always do what they say. Very good communication to keep you informed every step of the way. They go the extra mile to make their jobs extra special. Kept to time with all tasks and kept to the price quoted. Would definitely recommend without reservation. We would use them again.
