08-Sep-2017

1-Good quality repair carried out. 2-My tenant was happy with the service and the people involved (I am a residential landlord-work was to one of my properties) Summary-This contractor told me what he would do/did what he said he would do/and told me when it was completed. That was perfect for me. I am happy with his work & happy to use him again when I need another repair. Thank you.

15-Dec-2016

Good workmanship

09-Apr-2016

They transformed my bathroom to a wet room which has made such a huge difference to my independence. They even came back to fit rails alongside my toilet which has really added a great aid for myself so cannot thank them enough.

07-Dec-2015

Trent Valley Plumbing were one of several companies who quoted to do work on my bathroom on a schedule of work via my local authority. The initial process of quoting was done quickly and accurately. I decided to offer them the work after seeking the opinion of some friends who work in other areas of the building profession. The work itself, which involved a new non-slip floor, bath, light and extractor fan was carried with the minimum of fuss in a timely fashion. Overall, Trent Valley Plumbing were professional throughout the whole process.

11-Oct-2015

I had our understairs cloakroom converted into a WC in September 2015. Trent Valley Plumbing and Building Ltd offered a competitive price and completed the works quickly and I was very pleased with the results. I would recommend them and would use them again in the

09-Oct-2015	future. We've used this company for many years now and never been disappointed in either the work or the workers. Over the years we've had both small and large jobs done in the house - the most recent being a replacement of our aging central heating system (probably installed by Noah!). The work was completed whilst we were away and we had full confidence in the team... the house is now warmer and is cheaper to heat!! Mark Triffitt advised us on a variety of details regarding the work and we're extremely pleased with the new system. The business is reliable and the work of an excellent standard.
09-Oct-2015	Efficient, professional work!
02-Sep-2015	It really was excellent service. The work carried out was for my father who has vascular dementia. They adapted his bathroom into a wet room and replaced his boiler. Probably not the easiest customer they have had to deal with, but treated him well and respectfully. They were in regular contact with us while carrying out the work keeping us well informed. Really pleased with the high standard of work carried out.
27-Aug-2015	They were excellent, very friendly and professional. Nothing was too much for them
06-Jul-2015	Excellent service from these guys. Workers very polite, courteous, clean. Nothing was any trouble to them, even when we changed our minds a few times. Can't recommend highly enough
04-Jun-2015	Brilliant Service, no delays. Responded to emails/queries straight away.
09-May-2015	Excellent. Prompt and reliable. Good communication
09-May-2015	Good service, arrived on time, worked cleanly keeping customer informed of progress. Pleased with the refurbishment.
19-Mar-2015	I am extremely grateful to Mark of Trent valley plumbing in overseeing the completion of the leaking wetroom. The final cost was less than they had quoted. The quality of work & the time it took to complete was as agreed on the outset. Approach to the work was clean with minimum disruption. It was a great experience to come across a high level of commitment & Professionalism. I wish them every success.
17-Mar-2015	Trent Valley Plumbing and Building Ltd, have just finished converting my parents bathroom into an accessible bathroom. They are both highly delighted with the finished results ~ Neither my parents were able to take a bath for some time and the accessible shower is brilliant, they are both loving it. TVPB also converted their pantry into a downstairs loo, which is a very necessary blessing. TVPB's workers were professional, discreet, helpful and a pleasure to do business with. All the staff were very good with my elderly parents, tolerant, cheerful and helpful, even the younger assistants. The work was excellent and to a very good standard and finish. I would highly

23-Nov-2014

recommend them.

Excellent service. Job started before expected start time and completed quickly. Would definitely recommend and use again.
