24-Nov-2018

Kevin responded promptly to email contact and made arrangements to attend promptly the next morning to rectify a broken boiler. The work was carried out quickly,, without any mess and with a fair price for such a prompt service.

24-Mar-2018

Glowtec did a great job in installing a new bathroom and other plumbing repairs. The quality of work, reliability in doing what was agreed and communication was excellent. They were flexible in dealing with delivery failures of the bathroom suppliers. I would use Glowtec again without hesitation.

12-Nov-2017

Always very professional. Good to feel confident that my boiler is being carefully serviced annually by Glowtec Oxford Ltd.

02-Nov-2017

Kevin installed a new boiler for me 6 years ago & has serviced it every year since. The installation was inspected by Corgi at the time of commissioning & I was told that it was a 1st class job he had done, Kevin has always turned up when he said he would & I have watched him work & I know he does a proper job, he does not overcharge for his work, & one thing I can say for sure is, he would never knowingly do you a bad job. I have no reservations in recommending him or his workmanship, This is a decent hard working man, I have had many a so called professional let me down, Kevin is not one of them.

02-Nov-2017

I had a bit of an emergency with a bathroom leak, which required fixing quickly. Kevin came round and fixed the leak promptly and to a high standard. He is

01-Nov-2017	<p>always polite and punctual. Would happily use Kevin's services again for any plumbing/heating work required.</p> <p>Two years ago we had a terminal boiler failure running into autumn and contacted Glowtec based on research from this site. Kevin was prompt in responding to our issue and provided sound professional advice on a replacement boiler. Which was installed promptly, on time and within budget, and has continued to provide advice and servicing (including reminders for the annual service!) since we formed our relationship. I cannot recommend Glowtec highly enough.</p>
01-Nov-2017	<p>I have used Kevin Brand of Glowtec to renew my gas boiler, a complex operation in a large house. He did an impeccable job, promptly and courteously. He has also serviced the boiler for the last three years. Finally, there have been problems with the radiators and ancillary units that were fitted before I used Glowtec. Kevin has fixed everything promptly and professionally. I hope never to use another heating engineer.</p>
04-May-2017	
06-Sep-2016	<p>Job well done, good communication.</p>
16-Jul-2015	<p>I could not have asked for a better service. Kevin was very professional and helpful. He was also extremely efficient, as he managed to diagnose the problem on the phone and so made sure that he brought the necessary part with him. Would definitely use him again</p>
12-Mar-2015	<p>A very professional approach from the initial telephone appointment, arrival, job undertaken, paperwork & departure. More importantly the charge was fair. Very pleased.</p>
