Grimebusters is a concession and it was their Wwest Country team based in Bath that provided efficient and friendly cleaning to our carpets and upholstery. Not the cheapest but great results. Worth the extra.

I was very pleased with the carpet cleaning service that Jon provided from Grimebusters. I phoned Jon for a quote and he was very helpful ; he explained the two different cleaning methods that he uses and gave me a good price for my whole house. After comparing to another company I decided to go with Grimebusters and I'm really pleased I did. The carpets look amazing, especially the hallway and living room where there was a lot of staining due to constant use. Jon is a friendly guy and very hard working. Would definitely recommend.
